Over The Counter 19 April 2022: Q1 Consumer Health Earnings Preview, With HBW Editors

by [David Ridley](#)

In this episode, HBW Insight editors look ahead to Q1 sales and earnings reports of the world's largest consumer healthcare companies. We reflect on what has happened in the last 12 months during the COVID-19 pandemic, and what the next few months might bring for industry. The return of cough and cold, inflation, the war in Ukraine and OTC business spin-offs are all major trends shaping the market right now.
